

Farmसेतु

"Bridging the Gap to a Smarter, Connected Digital Agriculture Ecosystem."

The Challenge: Fragmented Resources & Information Gaps.

Limited Information & High Costs - Inefficient Resource Distribution
- Disconnected Communities & Disputes - Difficulty Accessing Targeted Support.

Future Vision: Automated Resource Distribution

Built With: MERN Stack, Vite, Tailwind CSS. **AI Power:** Google Generative AI

Real-Time Data: OpenWeatherMap & Market Data API.

Team Strikers.
